Julia,

Good afternoon and thanks again for the follow-up call this morning!

The three (3) Midwest Can Company PFC applications have been submitted and accepted by VERIFY. Please let me know if there is anything else you need.

On that note, is there a way this renewal can be expedited? It is my understanding that the success of a large acquisition is dependent upon the awarding of these certificates. I think the important date is Friday, October 31, 2014.

Thanks again,

Andy Meloeny
